

A WARM WELCOME BACK TO BENGAL AROMA

Thank you everyone for your continued support throughout the lockdown period. We are now pleased to be able to allow you to dine with us and enjoy our authentic food in a more relaxed environment.

We have a few key rules in place which need to be respected and followed at all times.

1. BOOKINGS REQUIRED

Details will be obtained for your table reservation and track and trace. Should you have any symptoms of COVID -19 please do not book with us till it is safe to do so. On the other hand, cancel your booking in advance if you already have a reservation.

2. PLEASE ARRIVE ON TIME AND STAY AT YOUR TABLE

Our host will take you to your reserved table. Please note free mixing is not allowed and all children need to remain seated at all times with an exception should you need our toilet facilities.

3. BRING YOUR OWN BOOZE

We will allow you to bring your own alcohol and provide you with any glasses or ice. Unfortunately bottle openers will not be provided however our staff will be able to open your bottle at your table. Soft drinks will be available to purchase at the restaurant.

4. PLACING AN ORDER

Please note we will hand over our sanitised menus should you need to place your order at the table. We will ensure the menus are cleaned after every use. Our customers will also have the flexibility to pre order at the time of booking or will be able to access our menu from our website using their mobile phones and our WIFI access.

5. KEEP YOUR DISTANCE AND CLEAN YOUR HANDS

Please respect other people's personal space and avoid contact with those not in your households and use coughing etiquette.

Hand sanitisers are available at our main points of the restaurant. Please ensure you wash your hands when using our toilets.

Additional Information

- Card or Cash payments taken, whatever is convenient
- Follow our signs regarding social distancing and hazards
- Arrive as a group and not separately
- Please be patient with us during these unprecedented times. Help us to help you, all measures are new to us
